The Bridge magazine is a magazine for the whole local community, delivered free of charge (thanks to our volunteer road stewards), to over 1900 homes in the Busbridge, Munstead, Tuesley and Bargate Wood areas of Godalming.

We publish 6 editions a year and our billing year runs from 1st March.

We welcome new advertisers joining us at any point during the year. We ask advertisers for 1/4 and 1/8 page sizes to commit to a minimum of 3 editions per year.

Adverts should be produced as a PDF or a high resolution PNG or JPEG at 300 dpi file. Any editorial copy supplied should be around 260 word count for about a half page, subject to being sub-edited to fit with images and captions.

To discuss advertising in the Bridge, or for any queries, please contact the Editor:

We reserve the right to decline advertising or payment for advertising at our discretion.

Thank you for your support and interest.
